toiletries, towels, and
cleaning products

\$250 Bed Basics

a mattress, bedding set,
and pillows

\$100 Kitchen Basics

pots and pans, plates,
cups, silverware, and
a coffee maker

...But now I have a home and a place to call my own. Compass Health has helped me take steps to get better. I want to get better.”

This time of year is special for most all of us.

We gather with friends and families in homes, sharing the memories of the year, and looking forward to the new ones to make. It's a time of celebration and giving thanks. It's a time of hope and of love.

But there are so many who don't get to celebrate in a home during this season. For people who are experiencing the challenges and struggles of homelessness, it can be hard to celebrate and to give thanks.

Every year, Compass Health assists over 300 mentally ill people transition from homelessness into stable and supportive housing. Oftentimes, our housing is their first ever stable living situation. These individuals are carrying everything they have with them on the streets and have nothing to move in with. It's hard to tell someone that they have a home when there's nothing inside.

Your contribution to Compass Health's Housing program directly supports people who need help transitioning from the streets to a home. Your gift in any amount will afford our clients the opportunity to have a home for the holidays.

If 100 of our donors donate \$500, we will be able to provide move-in ready housing to clients for the next year!

You can complete and mail in the enclosed envelope or donate online at compasshealth.org/homefortheholidays.

**Best wishes for the Holidays and a Happy New Year
from all of us here at Compass Health!**
